Colorado Springs, CO | +1(303)-505-5162 | aidanmkeating@gmail.com | [LinkedIn](#)

Cybersecurity Management undergraduate attending the University of Colorado Colorado Springs currently seeking an internship with a communications provider, government defense contractor, or similar cybersecurity-focused organization to gain hands-on experience in the field and contribute to the development and implementation of cybersecurity solutions.

EDUCATION

Bachelor of Innovation - Business Administration with an Emphasis in Cybersecurity Management

University of Colorado Colorado Springs

Aug 2021 - May 2025 (Expected)

Engineering Technology Cross-Discipline Core

GPA: 3.725

RELEVANT COURSEWORK

Computer Networks & Telecoms, Information Systems & Business Intelligence, Principles of Computer Science (Java), Computational Thinking with Beginning Programming (C), Business Programming (Python & SQL), Agile Software Development, Cloud Computing & Security (AWS & Azure), IT Risk Management, TestOut CyberDefense Labs, JBL Cloud Labs

PROJECTS

- Leveraged web scraping applications to extract metadata (text only) from dark web forums for analysis. Parsed and structured the scraped data using Python data frames (Pandas), for comprehensive data analysis and reporting.

EXPERIENCE

IT Technician

Mar 2024 - Present

Office of Information Technology, UCCS

- Effectively diagnose and resolve technological issues reported by users covering software, hardware, network, and other IT-related problems both physically and remotely.
- Promptly address support requests via ticketing systems; assisting with technical tasks such as computer imaging, hardware audits, software installations, and communicating planned maintenance activities.

Server

Aug 2022 - Present

Altitude Hospitality Group, Colorado Springs, CO

- Efficiently resolve customer inquiries, maintaining a high level of satisfaction amidst high-pressure, fast-paced situations while demonstrating time management skills, effectively juggling multiple tasks to meet tight deadlines.
- Established strong collaborative relationships fostering a cohesive and efficient team environment.

Certified Front of House Trainer

Feb 2020 - Aug 2022

Chipotle, Highlands Ranch, CO

- Exhibited versatility and adaptability by handling a diverse range of responsibilities, ranging from food preparation to administering transactions while upholding food safety procedures and presentation.
